H118"xW85xD8"

Koru, a sculptural masterpiece designed to make a bold statement with a mix of materials. Each chain link is made from alabaster, hand carved by skilled craftsmen to showcase the organic beauty of the natural material. The individual illumination of each link draws out the translucent qualities and veins of alabaster, while metal elements clasp the links together. Available in a variety lengths, configurations and a range of metal finishes as well as a variety of hanging options. Bespoke options and design service available. Due to the natural variations in alabaster, every piece will be completely unique.

Hanging Drop height 1 to 5 meters.
Light Source Alabaster diffusers. Integrated LED.
LED lights, CRI>95, ~ 50K hours life.
LED standard colour temperature options: 2.7k & 3k (other temperatures available on request)
